

JOIN as consortium partner in EU-funded projects

Johanniter International (JOIN) is the European partnership of [16 national charities](#) founded by the Orders of St John. Our member organisations are active in medical services and first aid, social care, international humanitarian aid, disaster relief and youth work. The JOIN Office, based in Brussels, participates in EU-funded projects and facilitates international projects.

Experience in EU-funded projects

The JOIN Office already participated as full partner in Horizon 2020 projects related to [Medical First Responder Training using a Mixed Reality Approach](#), [Emergency Medical Services](#), [Elderly Care](#), [Cybersecurity for Hospitals](#), and in Erasmus+ projects related to [First Aid for young people](#). The JOIN Office assumed responsibility as Work Package leader.

JOIN's role as consortium partner

As coordinator of a European network, the JOIN Office has significant experience in dissemination, networking, communication, awareness-raising, research and exploitation.

Main responsibilities of JOIN include:

- Designing Stakeholder Involvement Roadmaps & Engagement Strategies;
- Collecting and analysing international projects, initiatives, and stakeholders to build on their lessons learned;
- Networking at the core of the European capital;
- Dissemination and exploitation of project results across Europe;
- Awareness-raising through policy and political discussion at EU-level with public and private institutions;
- Data collection for research;
- Integration of experiences from JOIN member organisations;
- Development of training strategy and organisation of training activities.

JOIN is happy to involve its different member organisations in the consortium.
